

Holesaw Kit no. 9 - 15pc | HOLE DOZER™ **bi-metal holesaws - sets**

- Cutting edge technology for maximum productivity.
- Tooth design - A 3.5 teeth per inch tooth design with a positive 10° tooth angle provides the following benefits:
 - Faster and more aggressive cut.
 - Improved heat dispersion during cutting ensures that the teeth stay sharper for longer.
 - Deeper curved gullets provide more efficient chip clearance preventing clogging and heat build up.
 - Special shaped tooth angle has less tendency to snag on thinner materials.
 - Teeth are alternate side set to minimise binding and friction.
 - Requires less feed pressure - This is achieved by the combination of aggressive tooth geometry and good chip clearance resulting in the requirement of less force during drilling.

Article Number 4932471370

Contents 11 x holesaws: Ø 19, 22, 35, 29, 30, 35, 37, 41, 52, 60, 79 mm. Arbor for Ø 14 - 30 mm (49567010). Arbor for Ø 32 - 152 mm (49569100). 2 x pilot drill bits. 1/8" allen key

Pack quantity 15
