TELESCOPIC CHAINSAW - 900W - 300mm - POWXG1032

This multifunctional chainsaw is suitable for pruning medium sized branches. It features a telescopic aluminium shaft that allows you to reach branches up to 2,44m off the ground in a fast and safe way. You can also use the chainsaw without the telescopic shaft. The POWXG1032 is light, compact and equipped with a strong Oregon chain and guide bar of 300mm.

Thanks to the pivoting head you can easily adjust the cutting direction for convenient and safe cutting. Next to the hand safety guard this chainsaw also comes with an extra guide bar tip guard for low kickback and protection.
